Bringing the Water of Life to La Gonave, Haiti

"Plant a Seed ~ Grow a Village"

Spring Newsletter 2007

April 18, 2007

Dear Missionaries and Friends,

Greetings from Ocala, Florida! The beginning of the year has been exciting and challenging for me. Part of that excitement is why I am writing; hoping that you could share in what God is doing both here and in Haiti. We recently went to Gonaives, Haiti and served the people with our construction and medical teams consisting of nineteen individuals. The Lord lay on our hearts to return to Haiti this summer to build a church on the Island of La Gonave. The church will serve as a school for the children who must walk more than an hour to go to school. As a result a majority of the children there can not attend nor have the money to go to school.

As any missionaries, we need someone to send us out, someone for us to represent, and to be supported by with prayer and concern. That is why we need you. Please consider supporting me with prayer and finances. The total cost of the trip for each member will be \$800 plus air fare. The cost includes our meals, lodging, in country travel (transportation), translators, and a portion is for the construction project.

The total approximate cost for the church construction is \$40,000.00. We need tools to build, as well an 8,000 watt diesel generator to provide electricity and use during construction.

The time for Haiti mission trip is between July 16th to August 12th, 2007. Please, I need everyone who is going with us to pray and choose one week between July 16th to August 12th. Please email me or call me with your response.

We are actively involved in working to raise money and we know that God will provide, but we hope we will be sent out by our friends and family. We will communicate both what God is doing while we are there and how God has changed us when we return. So any way or anything that you can contribute would be great! Brothers and sisters join with us as we help others. I look forward to hearing from you soon.

Please pass this email to anyone that God put on heart. The Bible says "GO and TELL"

With gratitude and love,

Benis Guerrier
