HARVEST HIGHLIGHTS February 2010

January 12, 2010, a 7.0 magnitude earthquake devastated Haiti. Sadly, many people were killed. Many of them left this earth with no knowledge of Christ.

A Nazarene church in Anse a Galets, La Gonave - destroyed

Immediately, **International Ministries of Hope** (IMOH) prayed, asking how and when to respond. Within a week of the earthquake, two disaster relief teams worked to help the Haitian people.

They delivered medical supplies to area hospitals and to a ministry partner, Children International Lifeline. The team worked persistently, tending to the needs of the sick and wounded.

Haiti does not have the resources we have, but we are sharing the love of Christ with compassion.
