Bringing the Water of Life to La Gonave, Haiti

"Plant a Seed ~ Grow a Village"

Winter Newsletter 2007

December 2007

It is hard to believe that only 12 months ago I was talking to my previous choir Director, Mr. Brian Caple, about what God is putting on my heart. It was to lead a project in Haiti to help the poorest children in the world. The village, named Mapou, where there is no school, no water, and NO CHURCH. Even there was no road until present. Now with grace of God, several brothers and sisters, we have something we can call a road where it is good enough for a pick up truck to bring goods, materials, and missionaries to the village.

The Lord is working in the lives of the people of Mapou village and throughout Haiti. I praise the Lord and thank you very much for your faithful prayer and financial support to allow this project to continue. Missionary teams, my family and I have traveled to the Island of La Gonave, Haiti a total of 5 times during the year of 2007. We laid the foundation of the Church/School/

Clinic, and now we just finished of posting the blocks of the building. The third phase is stop because of lack of water. We are going in March to pour concrete inside of the building. If God provides with some rain, we will be able to have some cistern water.

This letter is to let you know God, my family, and the people of Mapou village gratefully appreciate your support in the ministry on Mapou village. This project just begun and we will continue to need your help financially and prayerfully. Three ways you can help: you can come with us to see and work in the project, you can financially support the project as God provides monthly, and pray for us and all missionaries around the world.

As 2008 begins, ask God, what way He would want you to continue or to start support the MAPOU VILLAGE project and GUERRIER family in this ministry. If you want to see the process of the project through photos or videos, please contact Benis directly for more information. We thank you very much for your PRAYERS, financial support, encouragement, love and cards especially in my wife's Dominique surgery three months ago. We are praising the Lord for a slow and sure recovery.

God is good and is Great! May the New Year be a blessing for all of you as we continue working with CHRIST to further His Kingdom.

In His service for His Kingdom,

Benis & Dominique Guerrier, Missionaries
